

KANSAS CITY DIRECTORY (2021-2022)

The following is a directory of local service providers working to end and prevent human trafficking in Kansas City - and ways you can help.

**ENGAGE
TOGETHER[®]**

Rotary

This Directory is a supplemental resource to the Engage Together® Community Assessment provided for the Kansas City area in 2021-2022, in partnership with Veronica's Voice, and sponsored in part by Rotary.

It includes a list of all participating organizations, their missions, websites, primary service areas, key community contact details, and ways the community can rally to meet local needs.

Learn more about this special project and its partners at veronicasvoice.org/rotary-swarm.

**BROUGHT
TO YOU BY**

PARTICIPANTS

RIGHTFULLY SEWN

<https://rightfullysewn.org> | @rightfullysewn

Rightfully Sewn provides seamstress training for individuals so they can thrive in a specialized workforce that will reestablish Kansas City as an epicenter of garment manufacturing, while at the same time, propel Kansas City fashion designers to market so they can supply the burgeoning demand for high-quality, American-produced garments. Rightfully sewn empowers individuals through seamstress training and job placement assistance. We work with refugees, survivors of domestic violence, the homeless, people who are struggling with addiction, people who were recently incarcerated, individuals who are unemployed due to covid, etc.

Program Areas: Restoration

Community Contact:

Nina Littrell, Instructor

816.442.8410 | Nina.littrell@rightfullysewn.org

Opportunities to Help:

- Tangible Needs: The most important thing we need in order for the program to be successful is supplies such as fabric. Students have a lot of homework and we need fabric to give them. Students are not expected to provide any of their own supplies.

- Service Needs: We are always looking for professional speakers to come in and speak to our students about budgeting, pay negotiation, how to ask for a raise, and other professional development topics.
 - Financial Needs: For every student who attends the program we have to raise \$1,700. That money goes towards machine maintenance, supplies, materials, and other costs of going through the program.
-
